My Dearest:-
Rec'd one ~~of~~
of the sweetest letters
this a.m. just from
my only sweetheart.

Darling I thought
last night as I was

pretty tired that I'd
best wait until this ^{2nd}
to write - and now the
mail is here and I
can't well. so I can
only have time to send
you a written kiss
and words of pure, true, love
such as is not common
these days only to you & I.

Dear I begin today to make
you something that I'll wear.
guess. what.

Give Grace my love - tell her
that as I said long time ago
I've something planned for
her. I wine is out so ^{goodby}
will see you Sat. Gwendolyn Dillian

After.....days, return to
